

PARK SCHOOL AND NURSERY - CLOSED CIRCUIT TELEVISION - CCTV POLICY

1. INTRODUCTION

- 1.1 The purpose of this policy is to regulate the management and operation of the Closed-Circuit Television (CCTV) System at Park School (the School). It also serves as a notice and a guide to data subjects (including pupils, parents, staff, volunteers, visitors to the School and members of the public) regarding their rights in relation to personal data recorded via the CCTV system (the System).
- 1.2 The System is administered and managed by the School, who act as the Data Controller. This policy will be subject to review annually and should be read with reference to the School's Data Protection Policy / Privacy Notice. For further guidance, please review the Information Commissioner's CCTV Code of Practice (accessible here [Video surveillance \(including guidance for organisations using CCTV\) | ICO](#)).
- 1.3 All fixed cameras are in plain sight on the School premises and the School does not routinely use CCTV for covert monitoring or monitoring of private property outside the School grounds.
- 1.4 Cameras are generally located to monitor entrances and exits to the school site. There is also limited coverage of the playground areas. All cameras are located externally.
- 1.5 The School's purposes of using the CCTV system are set out below and, having fully considered the privacy rights of individuals, the School believes these purposes are all in its legitimate interests. Data captured for the purposes below will not be used for any commercial purpose.
- 1.6 The School has completed a Data Protection Impact Assessment (DPIA) in relation to its use of CCTV.

- 3.4 No images of public spaces will be captured except to a limited extent at site entrances.

4. MAINTENANCE

- 4.1 The CCTV System will be operational 24 hours a day, every day of the year.
- 4.2 The System Manager (defined below) will check and confirm that the System is properly recording and that cameras are functioning correctly, on a regular basis.
- 4.3 The System will be checked and (to the extent necessary) serviced no less than annually.

5. SUPERVISION OF THE SYSTEM

- 5.1 Staff authorised by the School to conduct routine supervision of the System are the Site Manager, the Headteacher, HR Office Manager and IT Director only.
- 5.2 Images will be viewed and/or monitored in a suitably secure and private area to minimise the likelihood of or opportunity for access to unauthorised persons.

6. STORAGE OF DATA

- 6.2 Images will be stored for 30 days and automatically over-written unless the School considers it reasonably necessary for the pursuit of the objectives outlined above, or if lawfully required by an appropriate third party such as the police or local authority.
- 6.3 Where such data is retained, it will be retained in accordance with the Act and our Data Protection Policy. Information including the date, time and length of the recording, as well as the locations covered and groups or individuals recorded, will be recorded in the system log book.

The School will require specific details including at least the time, date and camera location before it can properly respond to any such requests. This right is subject to certain exemptions from access, including in some circumstances where others are identifiable.
- 7.3 The System Manager must satisfy themselves of the identity of any person wishing to view stored images or access the system and the legitimacy of the request. The following are examples when the System Manager may authorise access to CCTV images:

8. OTHER CCTV SYSTEMS

- 8.1 The School does not own or manage third party CCTV systems but may be provided by third parties with images of incidents where this is in line with the objectives of the School's own CCTV policy and/or its School Rules.
- 8.2 Many pupils travel to sporting fixtures or educational visits on coaches provided by third party contractors and a number of these coaches are equipped with CCTV systems. The School may use these in establishing facts in cases of unacceptable pupil behaviour, in which case the parents/guardian will be informed as part of the School's management of a particular incident.
